We welcome and appreciate your interest in providing a good home for a Pembroke. Please understand that your completion of this application does not guarantee that a suitable Pembroke will be found for you. Please also understand that applicants are not placed on a waiting list in the order of the date of application. Instead, all applications will be considered equally in each case of selecting a home for the dog. We do this to attempt to select the most suitable home for that Pembroke in light of its personality, health & behavior as well as many other factors. The answers you provide will give us the best opportunity to find a Pembroke that will be most suitable to your home. Please answer the questions as completely as possible. More information is better than less!

In the event that a Pembroke is considered for adoption by you, there will be written binding agreements between you and the Rescue Committee/Club. In the written agreement, among other things, you will make certain agreements regarding your care of the Pembroke. You will agree that the Pembroke would be returned to the Rescue Committee/Club if you do not abide by the agreements or if you could no longer care for the Pembroke.

Also, please understand that while the Rescue Committee/Club will have had the Pembroke examined by a veterinarian, the Rescue Committee/Club cannot make any guarantees regarding the health or physical condition of the Pembroke. Understand too, that all expenses after the adoption (including medical expenses) relating to the Pembroke will be your responsibility.

The Rescue Committee/Club would appreciate it after you complete this application and while you are waiting for a Pembroke that you notify the Chairperson if you get another dog and/or if you decide that you no longer wish to adopt a Pembroke. The Pembroke will be spayed/neutered before you adopt it. As part of your adoption, there will be a \$300.00 donation (or higher if you would like to give more) from you to the Rescue Committee/Club to help defray expenses related to rescue efforts.

Adoption Donation is \$350.00. By checking this box, I acknowledge that I/we have read & understand the above and agree to the terms & conditions of this application.
